Re: Coral Gables Police Department's Letter of Support for Request for Partial Waiver  
of Section 90.20(e)(6)(i) by the International Association of Auto Theft  
Investigators  
**PS Docket No. 13-281**

Dear Ms. Dortch:

The Coral Gables Police Department strongly supports the request for partial waiver ("Waiver Request") filed by the International Association of Auto Theft Investigators ("IAATI") requesting that the Federal Communications Commission ("FCC") waive Section 90.20(e)(6) (ii) of its rules, thereby allowing public safety entities to track and recover stolen vehicles equipped with SVRS equipment for as long as those vehicles are in use.

The Coral Gables Police Department is a municipal law enforcement agency located in Miami-Dade County. It serves a population of over 40,000. Coral Gables Police Department currently utilizes SVRS equipment to track and recover stolen vehicles.

As described in the Waiver Request, IAATI seeks a partial waiver to allow wideband (25 kHz) Vehicle Locator Units to transmit response signals after the FCC's May 27, 2019 narrow banding deadline so that older vehicles equipped with these devices may be tracked and recovered if stolen. We believe that FCC's grant of IAATI's Waiver Request will benefit greatly The Coral Gables Police Department and the public.
